Create Your Catholic Legacy

This May, we invite you to participate in Create Your Catholic Legacy Awareness Month. Take a moment to consider how your legacy could help sustain your parish or a Catholic cause closest to your heart. With a future gift in your will, trust, or estate plan, your generosity could transform the lives of future generations.

Throughout the month, you'll have the chance to learn about the profound impact of bequests and other estate gifts. Attend free informational workshops across the Archdiocese to deepen your understanding of the power of estate giving. Think about how an estate gift could express your Catholic faith and values. Whether you're just beginning to explore the idea or have already taken steps to include a Catholic organization, program, or ministry in your plans, this is the perfect opportunity to make a difference.

Visit TheCFGP.org/Legacy to discover gift options and find upcoming events to guide your decision. For personalized assistance with charitable estate planning, contact The Catholic Foundation of Greater Philadelphia at contactus@thecfgp.org or (215) 587-5650. We thank you for considering how you can contribute to a lasting legacy.
