❖ REVISED GUIDELINES FOR COVID

On Wednesday, January 12, 2022, an Option C Alert was sent regarding the revised guidelines regarding the protocols for COVID from the CDC. The Archdiocesan CSO committee has met several times and have also agreed to implement these guideline. **Please see the attached document.**

We again ask that you continue to be vigilant and transparent with any signs or symptoms that have been a concern within your family. Please re-enforce the need for the children to properly wear their mask when directed to do so while in the school building. If you have any questions, please feel free to contact one of us.

Vaccination status or COVID should not be discussed by parents, teachers, or students in the building. All questions and concerns should be directed to Mrs. Bonsall, RN.

**YAY
LUNCH!**

Don't forget to order your lunches for the week of January 17th by midnight, Saturday, January 15th.

If you did not place an order for SECOND TRIMESTER PIZZA your child must bring lunch on Fridays.

❖ YARD DUTY

We need parent volunteers in the school yard at lunch recess! There are currently two teachers outside because the others are monitoring lunch in the classroom or eating their own lunch. We want to provide enough supervision so ensure the safety of the children outside during recess. Please sign up for the duty if you have the time. Moms, Dads, Grandparents, etc. are welcome to assist us.
