OPTION C IS OPEN!

Hopefully by this point you have received the August mailing that contains information about logging in to Option C. Please create a password that you can remember. We do not have access to that information if you forget it.

Once in OptionC you will be able to see your child's homeroom assignment. All placements are final as it takes much time and effort to create class lists. Many factors go into creating a well-balanced classroom of individuals.

The following forms need to be completed in Option C. Paper copies will not be sent home.

- Emergency Card
- Parent and Student Handbook Agreement
- Publication Agreement (Photo/Interview Release)
- Memorandum of Understanding

The Archdiocese has not yet released the revised documents for the Responsible Use Technology Policy and the updated COVID-19 guidelines based on the latest release from the CDC. Once they are available, they will be posted on the school website and a signature form will be put on Option C eforms.

Homeroom Parent Sign-Up

If you would like to volunteer to be a homeroom parent this year please fill out the Google form below.

Remember, in order to volunteer all of your clearances must be up to date and on file. This includes a Safe Environment class. If you need to attend the Safe Environment class we will be holding one on Wednesday, September 28th. Please contact Maureen Scheuerman at mscheuerman@stmarymagdalen.net for more information.

Online Ordering System

The school online ordering system is open for placing milk, pretzel, and pizza orders. Don't delay as Hot lunch will begin the week of September 12th.

Now is also the time to update/create your YAY lunch account. The menus are not posted yet, but this way you will be ready when they are. <https://www.yaylunch.com/login>

School Climate Survey

Today is the last day to complete the School Climate Survey. It closes at 5 pm. Please take a few minutes to complete it if you haven't already done so. Your opinion matters, we want to hear from you.
