✚ NURSES CORNER ~ Tara Bonsall, BSN, NR, CSN

Kindergarten parents: Please submit a physical and up to date immunization record for your child(ren) within the next 7 days. This is a state requirement and failure to do so may cause your child to be excluded from school. If you have an appointment scheduled, send me that date, that information is sufficient, and your child will not be excluded. Any visit within the last calendar year is acceptable.

Kindergarten, 3rd and 7th grade parents: Your child(ren) need a dental exam sent to school for their records.

6th grade parents: I need a physical for your child(ren) within the next 7 days as well. Please send the forms to me or email me with the date of your child's scheduled appt so they are not excluded from school.

7th grade parents: If your child did not have all required vaccines at their 6th grade physical appointment, we will be in touch via email to let you know what we are missing.

Blank physical and dental forms are available on the school website under the nurse's tab. If your doctor has certain forms that he or she prefers to use, that is perfectly fine.

Forms can be submitted to my email address, sent in paper form or faxed to 610-627-9670.

I appreciate your cooperation!! Mrs. Bonsall
