AUDITON PREP WORKSHOP

FRI. NOVEMBER 21ST

3:00-5:00 PM

SMM Theater Program will be hosting a free audition prep workshop focused on the elements of voice, dance & acting audition skills! Our goal is for students to leave the workshop confident and prepared for their next audition. The workshop is open to all SMM students in grades 3-8 regardless of experience or participation in the SMM musical. No experience necessary. We will be using materials from Joseph and the Amazing Technicolor Dreamcoat. Please register your student for the workshop via the [registration](#) link in the email. More details are available on the registration form. We look forward to working with your student!
